INTRODUCTION

Sometimes a picture is worth a thousand words. We understand it can be a little difficult to imagine exactly how containers can be used.

We use repurposed materials to deliver to you a combination of adaptable designs that are alternatively engineered with excellence providing you with unmatched durability, optimized efficiency and an enduring sustainability.

We work to deliver you a unique structure that demonstrates the creative imagination and innovation that is your vision.

The following products give you a brief glimpse at some of the simple options available as well as an idea of initial price points.

Whether you are looking for a residential, recreational, or commercial structure there is nothing we cannot create exactly the way you want it.

If you are a “do it yourself” kind of person we have more good news. We have hundreds of blueprints and plans available for you to start building. If you are interested in knowing more, email info@containerhomesusa.com or call 216.372.8250.

CHUSA PRODUCT CATALOG

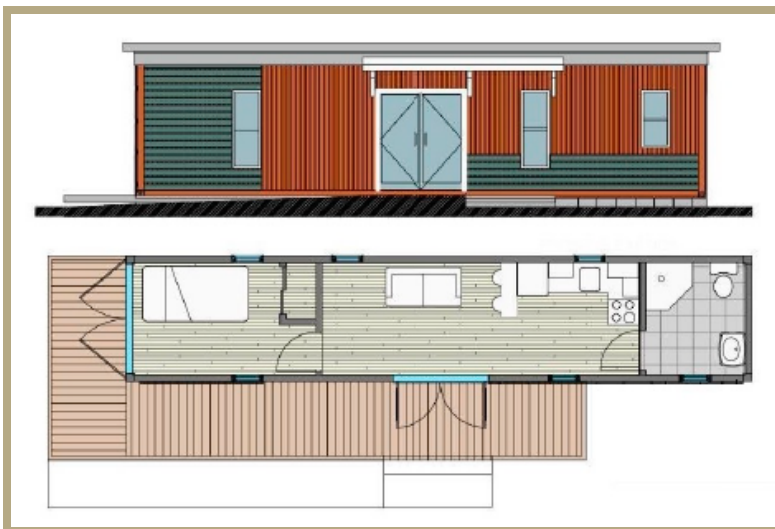

1 LEVEL | 1 BEDROOM | 1 BATH | 1 CONTAINERS (20 FT)

This simple structure, using a single 20-foot container, is perfect for a small hunting cabin, backyard office, or recreational home. And remember, this is just the start—you can customize to add windows, doors, etc.

1 LEVEL | 1 BEDROOM | 1 BATH | 1 CONTAINER (40 FT)

Utilizing a single 40-foot container to create an efficient and comfortable structure. Interior and exterior finishes are completely customizable.

1 LEVEL | 2 BEDROOM | 1 BATH | 2 CONTAINERS (40 FT)

Need something a little larger? This unit uses two 40-foot containers and provides two bedrooms on one level.

2 LEVEL | 2 BEDROOM | 1 BATH | 2 CONTAINERS (40 FT)

We love this structure because it shows the flexibility of containers—in this case stacking two 40-foot containers on top of one another.

1 LEVEL | 3 BEDROOM | 2 BATH | 3 CONTAINERS (40 FT)

Remember we told you that containers are a little like Legos? In this ranch house, three 40-foot containers have been joined side by side. This is also a great illustration of how the exterior treatment can create a more classic looking structure.

2 LEVEL | 2 BEDROOM | 2 BATH | 3 CONTAINERS (40 FT)

This 2 bedroom/2 bath model is built with three 40-foot containers. It includes a lovely exterior deck area on the second level. And of course, additional doors and windows can be added.
